## JULY 2022

### FROM THE COMMITTEE

Our next **WORKING BEE** will be near the next Council hard rubbish collection which is usually in Sept/Oct.

The PTC committee would like to acknowledge the effort our President Natalie Sherriff has made in regards to the replacement of the synthetic surfaces on courts 7,8 and 9 at no cost to the club. Many hours of negotiations by Natalie have resulted in the club now being in position to undertake capital works in line with the committee's future plans.

### NEW CLUB UNIFORM

A sample of each will be in the Junior clubroom for sizing. Orders will be taken on line and money paid direct into our club bank account. Prices below incl GST. If any adults are interested in having a club t-shirt or hoodie please contact Michele Barry.

Talia is new to Michael's coaching team this year. Talia started tennis lessons with Michael when she was 10 and Michael is delighted that she has decided to take up coaching.

Wimbeldon was an enjoyable time for Michael with Zoe making it into the main draw.

Diego has returned from visiting his family in Brazil showing signs of much feasting.

## RECYCLE YOUR TENNIS BALLS

An estimated 10 million tennis balls are purchased in Australia each year? Unfortunately, at the end of their useful lives, all of them end up either in landfills or in our waterways, eventually working their way into the ocean.

To address this environmental concern, **Parkdale Tennis Club** has partnered with **Game On Recycling** (a new program by Wilson Sporting Goods Co and Australia New Zealand Recycling Platform) to collect and recycle tennis balls. From now on, you can dispose of your unwanted tennis balls in the collection unit at our location.

All collected items will be sent to a processing facility in West Melbourne to be sorted into:

- Tennis balls that can be reused and put back into circulation, thereby extending the life of the product
- Tennis balls that have well and truly come to the end of their life and need to be recycled

Our recycle bin will be located in the downstairs clubroom.

A box will be located in the upstairs clubroom and balls transferred to our recycle bin.
